SCHOOL NEWS OF EVERGLADES VOCATIONAL HIGH

By Jamesna Poole
The Social Club of Everglades Vocational High was in charge of the program. Some of the members demonstrated some do's and don'ts for dating, dining and dancing. Mercedes White and Sally Mae Wright sang "Far Away Places." Those participating on the program were: Catherine DeBelle, Drucilla Hines, Mae Lela Francis, Christine White, Levisia Lovelle, Eliza Galloway, Coala Miller, Nera Polden, Dollie Brown, J. T. Hill, Frank Everett, Willie Miller was narrator, and Jamesna Poole was mistress of ceremonies. We were very glad to have had with us several of our former students who are now attending various colleges, namely: Bernice McLendon, Elvin Davis, and Charles Butts. Friday was Homecoming Day with the Bobcats playing host to Douglas High of Key West, Florida. There was a big football parade which began at 4:30 p.m. Each class and organizations had floats in the parade. The band, under the direction of Mr. M. Hamilton, furnished music for the occasion. The majorettes brought forth a brilliant performance displaying their expert technique. Miss E.V.H. and her attendants were very highly honored, with Miss Edna Washington reigning as queen. Her attendants were Ernestine

White and Mary E. Thompson. The football game was quite successful. The Bobcats defeated the Key West Tigers by a score of 37-7. During the halves, the band and majorettes performed. After the band left the field, the majorettes gave a unique demonstration to the tune of "Blues in the Night." All of the lights in the stadium were turned off, in that every one got a better view of the majorettes with their lighted batons, boots, and caps. This was indeed a beautiful performance. The marching and playing ability of the band has developed well for the short time that they have been around. The progress they have made. After the game, many of the football players which was enjoyed by all who were present.

Friday was Homecoming Day for Everglades Vocational High School. The Bobcats won this game from Key West Tigers 37-7. The most enjoyable event of the day was the parade and the playing of the Everglades Vocational High School band. This band was organized just five weeks ago by Mr. M. Hamilton. We saw a dream come true. The Belle Glade High School has long been a dream of the community of the

Glades area. Mr. Hamilton and the members of the band have made great progress. Orchids to Mr. Hamilton and the band, may they continue to make progress. But to make progress they need your support; it is your band. Let's make it a good band. Come to the game. The Bobcats play their final game of the season on December 1st at 8:30 p.m. at Douglas High School. Come out and support your team.

LAKE SHORE ELEMENTARY SCHOOL NEWS

By Paul, Charles M. McCurdy

School Receives Many Gifts
The pupils and teachers of Lake Shore Elementary School wish to take this means to again thank our many friends in this community for the fine gifts given to the school. Since the recent dedicatory service, at this Thanksgiving Season, we feel that we have more than our share for which to be thankful. The gifts presented thus far—all of them—have been practical, worthwhile, and things for which the school stood in need. But more than the gifts, we feel, is the spirit existing in this community toward the school and its efforts. That spirit, we believe, is far more precious than its materialization shown by the gifts presented. We here at this school shall remain ever grateful. We earnestly solicit your continued good will in helping us to make this school the type of school you want it to be—a school that any community might well feel proud.

Specifically, we wish to express again our deepest gratitude to the following persons and organizations:
The Belle Glade Merchants for their contribution of \$200 to be applied toward the purchase of a new piano for the auditorium; The Elks Lodge for their 100 stainless steel serving trays; Mr. Harry Root for 50 stainless steel serving trays; The Belle Glade High School for 100 serving trays; The Negro Women's

Auxiliary of the American Legion for a pressure cooker; The Elks Club of Columbus for \$10 toward the purchase of a stage curtain; The Negro Women's Club for 25 stainless steel kitchen linen; Mrs. Sarah Creech for flowers; The Belle Glade Vocational High School for flowers. The various churches, clubs, and other civic organizations, the spirit of good will evidenced by their presence at the dedicatory services.

Elks Club Donates Food
The Elks Club of this city constantly donates food to be served in our cafeteria. We wish to take this means to publicly thank that organization for such contributions to our lunch program. Such donations enable us to serve a nourishing noon lunch to the children enrolled in the school for a very small fee.

PTA Holds First Meeting
In New Auditorium
In spite of the recent cold weather, quite a number of parents and other friends of the school were present on last Monday evening to attend the first meeting of the Parent-Teachers Association in the new school auditorium. Mr. E. M. Taylor, President of the organization, thanked the members for their presence and outlined the program of beautification which must be begun immediately. Everyone entered into the discussion, and at the close of the meeting a total of 1216 had been pledged to help support the work of the PTA.

Freak Frost Nips Young Okeechobee Sectors

The Okeechobee farming area was hit by a freak frost Friday night and several hundred acres of young snap beans were badly damaged and sweet corn slightly damaged according to reports of growers in that area. One grower reported a low temperature of 29 in his field.

Crops on high land near Lake Okeechobee were not damaged as the wind continued to blow during the night. It died down in the early morning hours for a short period but rose again before sunrise.

J. W. Milligan of the frost warning service reports that the frost cooled area was 9 to 10 miles south and east of Lake Okeechobee, light and spotted owing to winds from Lake Okeechobee. Where the wind died down the temperature fell to 32 at the freezing point and lower, rising again to several degrees above the danger point with the rise of the wind again.

Harvest on the snap bean crop in the South Bay-Bean City-Lake Harbor area is now approaching the peak of the season. The weather has continued favorable to snap beans during the fall and yields have been very good on the high land, some trucks picking in excess of 100 hampers to the acre at the first picking.

Shipments by rail have as yet been relatively light, two or three cars a day leaving the platform at South Bay. Shipments by transport truck, however, have been heavy and have absorbed most of the crop during the fall to date.

Woodman Circle Has Home Meeting in Chosen
The Supreme Forest Woodman Circle met at the home of Mrs. George Rawls at Chosen, Thursday evening, and planned for a delegation to attend the National Convention at McAllister Hotel in Miami December 4-5.

The annual election of officers will also take place at the December 16 meeting.

Tentative plans for a party for the children of members have been laid to take place during the Christmas holidays, probably during the week between Christmas and New Years, the date to be announced later.

Mrs. Rawls served lemon chiffon pie and coffee at the close of the evening business and social program.

A DREAMER
If I were a poet
I'd compose a poem
About a very dear leader
I'd write this poem so clear

You know he was my teacher
For all my fellow man
Because I'd want them to know
To me, my teacher is so grand.

He teaches me Arithmetic
Reading, writing and how to spell
And so many many other things
I could never find time to tell.
